

# FIELD DAY *for* HAZELNUT GROWERS

**JUNE 13, 1-3:30PM**  
**IOKA FARMS, SILVERTON OR**

We will begin the day learning about Ioka Farms' development of soil health over time, including challenges and successes.

We'll then go on a walking tour of the farm's equipment and view the soil health trailer rainfall demonstration.

Updates from the Science Sector with research shared from OSU and U of O.

Finally, you'll hear from local service providers about financial programs available, technical assistance, and equipment rental programs. Of course, there will be time for questions and networking with your fellow producers!

**RSVP TO ATTEND THIS  
FREE EVENT**
